

# PARENT/PLAYER GUIDELINES

1. We are all guests of the schools & Community Center. Parents are responsible for their children. If your child leaves the gym for any reason, example: Going to the bathroom, a parent or an older child (over age 16) must accompany them otherwise they are required to remain in the gym at all times. At the Community Center children are not allowed on the running track without a guardian accompanying them.
2. Players health is important, please view the State Concussion Video, then sign the form and return it to your coach.
3. Zero Tolerance form must be signed by both parent and player and return to their coach. Violation of the Zero Tolerance policy can result in being banned from future games by players and family.
4. The Sterling Basketball League will assign scorekeepers, timekeepers for the games. If any of them are absent a parent will be asked to volunteer for help.
5. If your child misses 2 or more practices or games they could be removed from the team without a refund. Please contact your child's coach of absences.
6. Team/individual pictures will be taken. More information to follow.
7. Games played in Elementary schools require the first teams to set up the chairs and tables. After the last game the teams are required to return the chairs and tables to the area they came from. Remember to clean up the area.
11. Fill out the Concussion form and return it to your coach.
